Book review: Chris Corne: Essai de grammaire du Creole Mauricien. (Te Reo Monoègraohs.) 50pp. Auckland: Linguistic
Modern English shares many similar words with Latin-derived Romance languages like French and Spanish. They started entering the language with the Norman invasion of England. This meant adding a big amount of French and Latin vocabulary to the English language previously spoken there. Today that language is called “Old English”, the language of “Beowulf”, which probably doesn't look very familiar. It may be more recognisable if you know some German, because Old English belongs to the Germanic language family. Here you can see the first page of the epic poem “Beowulf” written in Old English. It
