What is SAT®?

This standardized test is required to be admitted in US undergraduate programs (Bachelor-level). SAT® is composed of 2 types of tests:

- SAT® Reasoning Test: it tests the reading, writing and math skills learnt at high school
- SAT® Subjects Tests: 21 different tests, covering 5 broad academic areas (English, History, Mathematics, Science, Languages)

SAT® Reasoning is administered in a paper-and-pencil format, with 10 different sections.

SAT Scoring

Overall score: 400-1600
Math: 200-800
Evidence-based Reading and Writing: 200-800
Additional subscores: The essay: 6-24

Our unique method

A comprehensive approach

We design a SAT preparation program that matches your needs, strengths, and weaknesses. You will learn how to approach the SAT, starting from your basic weaknesses and building up to your strengths.

High qualification SAT

Our instructors & coaches are graduated from top universities. They have all scored in the 90th percentile or higher on the SAT test, and they will work with you to achieve the same level.
Our SAT study materials

- **SAT® Course book**
  This contains the lessons and homework that will be taught and reviewed in each of the classroom sessions.

- **SAT Practice questions**
  Get access to over 1,700 practice questions. These realistic questions will help you discover your strengths and weaknesses and pinpoint the best way to focus the study time remaining before exam day.

SAT Group classes

Our group classes are dedicated to your success:

- Unique Methodology
- High-qualified instructors
- Small groups (15 students maximum)
- Complete SAT study material included (book, tests...)
- SIGHT Test Prep Guarantee

Results-Oriented

Our unique method will allow you to acknowledge how you can be able to succeed on the SAT® exam. SIGHT Test Prep will help you learn to think like the test-maker, gaining insight into ways that the SAT® test will set traps and obscure concepts to show you a difficult exam.
