Strategic Opportunities of the Twice Born

reflections on systemic camouflage of mass deception

Christian concepts To be born again in Christianity Christianity is a monotheistic religion, encompassing many religious traditions that trace their origins to the Jewish preacher and healer Jesus Christ. Christians assert that Jesus is the son of God, and the Lord and sole Savior of all humanity as the Jewish Messiah. With over two billion adherents, Christianity is the world's largest religion. History Main article: History of Christianity. ..... Click the link for more information. is synonymous with spiritual. Spirituality may include belief in supernatural powers, as in religion, but the emphasis is on experience. What is referred to as "religion" and what is referred to as "spirituality" are often the same. In recent years, "spirituality" has often carried connotations of the believer's faith being more personal, less dogmatic, more open to new ideas and myriad influences, and more pluralistic than the faiths of established religions. Those given to speaking of "spirituality" rather than "religion" are apt to believe that there are many "spiritual paths" and that there is no objective truth about which is the best path to follow. ..... It happens sometimes in Christian contexts, for instance. ReBirth is a software for PC that emulates the sound of an original Roland synthesizer such as the TR-808, TR-909 and TB-303 ..... Click the link for more information. and, in many denominational traditions, salvation In Christianity, salvation is arguably the most important spiritual concept, second only to the divinity of Jesus Christ. For many Christians, the primary goal of religion is to attain salvation. (Others maintain that the primary goal of Christians is to do the will of God, or that the two are equivalent.) In many traditions, attaining salvation is synonymous with going to heaven after death, while some traditions place a stronger emphasis on the belief that salvation represents a changed life while on Earth. Many elements of Christian theology explain why salvation is needed and how to attain it. ..... Click the link for more information. The term is used somewhat differently in different Christian traditions. The Christian use of the term is derived from the third chapter of the Gospel of John The Gospel of John is the fourth gospel in the usual sequence of the canon as printed in the New Testament. It contains an account of the life of Jesus. The apostle John is traditionally considered its author, and his name appears as the author in many ancient manuscripts. Sources Beginning with a hypothesis elaborated by Rudolf Bultmann, some scholars have suggested that the author of ..... He appears three times in the Gospel of John: the first is when he visits Jesus one night to listen to his teachings (3:1-21); the second is when he states the law concerning the arrest of Jesus during the Feast of Tabernacles (7:45-51); and the last follows the Crucifixion, when he assists Joseph of Arimathea in preparing the corpse of Jesus for burial (20:39-42). ..... Click the link for more information. Jesus asked Nicodemus what he must do to be saved: Now there was a Pharisee named Nicodemus, a leader of the Jews. He came to Jesus by night and said to him, "Rabbi, we know that you are a teacher who has come from God; for no one can do these signs that you do apart from the presence of God." Jesus answered him, "Very truly, I tell you, no one can see the kingdom of God without being born again." Nicodemus said to him, "How can anyone be born after having grown old? Can one enter a second time into the mother's womb and be born?" Jesus answered, "Very truly, I tell you, no one can enter the kingdom of God without being born of water and Spirit." John 3:1-5 (New Revised Standard Version) Note that some translators consider "born from above" to be a better translation than "born again" Most Christian denominations would agree that a true Christian must be born again, based on the above passage, and thus that those who are true Christians are in fact born again, whether they describe themselves as such or not. The Roman Catholic This article contains information about the major Christian belief-system known as Catholicism, as well as an overview of the largest Catholic grouping, the historical institution commonly known as the Roman Catholic Church. For contrasts, see Eastern Orthodoxy and the Greek Orthodox Church or Protestantism and the Lutheran Church. Catholicism is a belief system, and is studied in contexts that include theology and philosophy. The Roman Catholic Church is a physical institution, and can be studied much as institutions like the US Government or the British Monarchy are studied. ..... Protestantism Protestantism in the strict sense of the word is the group of princes and imperial cities who, at the diet of Speyer in 1529, signed a protestation against the Edict of Worms which forbade the Lutheran teachings within the Holy Roman Empire. From there, the word Protestant in German speaking areas still refers to Lutheran churches in contrast to Reformed
Black Sabbath are a British heavy metal band originally composed of Ozzy Osbourne (vocals), Tony Iommi (guitar), Geezer Butler (bass), and Bill Ward (drums). Black Sabbath started in Birmingham, England in the late 1960s. The band was founded by Tony Iommi and Geezer Butler, who were originally playing in a blues band called The Mark of the Mole. Ozzy Osbourne, who was originally the singer of a band called The Tyke, was asked to join the group by Iommi and Butler. Bill Ward, who was also a member of The Tyke, joined the band on drums. The band's name was inspired by the title of a novel by Robert W. Chambers.

The band's early music was heavily influenced by blues and hard rock, and their first few albums, including " ylim's Gate," "Paranoid," and "13," are considered to be classic heavy metal albums. The band's music is characterized by Iommi's distinctive guitar style, Butler's intense bass playing, Osbourne's powerful vocals, and Ward's powerful drumming.

Black Sabbath's music has had a significant impact on the heavy metal genre, and the band has been influential in the development of many other heavy metal bands. The band's sound has been described as dark, moody, and powerful, and their music has been credited with helping to define the heavy metal genre.

The band's popularity continued to grow in the 1970s and 1980s, and they went on to have many hits, including "Sweet Leaf," "Children of the Grave," and "War Pigs." The band has sold over 100 million albums worldwide, and their music has been featured in many films and TV shows. Black Sabbath disbanded in 1979, but they reunited in 1996 and have continued to tour and record music to this day. The band's impact on the heavy metal genre is enduring, and they are considered to be one of the most influential bands of all time.
