The female detective through popular culture: kate beckett in castle

Abstract
Popular culture has been argued to construct and perpetrate most of society’s current ideas and beliefs, especially when taking into account its representation of gender roles. The following dissertation will study how popular culture has acted in the construction of the professional woman and, more

For this list, we're not just looking at women who hold the detective post in their respective police departments; we're focusing on those ladies whose examination and evaluation skills help solve crimes and catch criminals. We'll only be handling the live-action ladies here, so animated snoops like the gals from the Scooby-Doo gang will be on a different list. Special thanks to our user ibriers 1 for submitting the idea on our Interactive Suggestion Tool at http://www.MsMojo.tv.
