The Life Of Woodrow Wilson, 1856-1924

Josephus Daniels

Daniels, Secretary of the Navy from 1913-1921, writes of the early life of Wilson with the hope that a reading of this book will stimulate devotion to the principles and ideals for which he gave his life. Contents: The Epic Figure of His Era; Inherited Traits; Boyhood Days of Tommy Wilson; At Old Nassau; Finding Himself; Educator and Lecturer; His Fight for Democracy 1924. Daniels, Secretary of the Navy from 1913-1921, writes of the early life of Wilson with the hope that a reading of this book will stimulate devotion to the principles and ideals for which he gave his life.
