Background Information definition with examples. Background Information is all information needed to increase awareness of the topic an essay. Types of Background Information. Description Type

Description type of background information often describes the topic through sensory description involving all five senses: sense of touch, sense of smell, sense of sight, sense of hearing, and sense of taste. Words are used to make the reader experience any of these or all. This article provides background information regarding the subprime mortgage crisis. It discusses subprime lending, foreclosures, risk types, and mechanisms through which various entities involved were affected by the crisis. The U.S. Federal Deposit Insurance Corporation (FDIC) has defined subprime borrowers and lenders: The term subprime refers to the credit characteristics of individual borrowers. Subprime borrowers typically have weakened credit histories that include payment delinquencies, and
