Link to this page The British Museum Library: a Short History and Survey is a book by Arundell Esdaile (M.A., Litt.D., F.L.A.) published by George Allen & Unwin, London, in 1946. It was reprinted in 1979 by Greenwood Press, Westport, Conn. from the 1948 ed. published by G. Allen & Unwin, London, which was issued as no. 9 of the Library Association series of library manuals. Esdaile’s book serves as a historical survey of the British Museum Library when the museum and library departments were housed in the same building. The British Museum Location - British Museum, Great Russell Street, WC1B 3DG. The British Museum in London is a museum dedicated to human history and culture. Its permanent collection, numbering some 8 million works is among the largest and most comprehensive in existence and originates from all around the world illustrating and documenting the story of...
