Jean-Nicolas-Arthur Rimbaud was born in Charleville in northeastern France on 20 October 1854, the second son of an army captain, Frédéric Rimbaud, and Marie-Cathérine-Vitalie Rimbaud, née Cuif. He had an older brother, Frédéric, born in 1853, and two younger sisters: Vitalie, born in 1858, and Isabelle, born in 1860. The father was absent during most of Rimbaud’s childhood. Rimbaud’s difficult relationship with his authoritarian mother is reflected in many of his early poems, such as “Les Poètes de 1. Rimbaud, Arthur, 1854-1891-Translations into English. I. some 200 miles northeast of Paris, near the Belgian border. I make this statement while
recognizing the outright impossibility of any real objectivity, given that Arthur Rimbaud wrote
in French, and readers of this edition will, necessarily, be reading my English, which brings
us to the matter of translation. v The number of ways in which any single line can be
translated is ex- ceeded-onTR by the number of theories of translation. Arthur Rimbaud
(1854 - 1891). Jean Nicolas Arthur Rimbaud (20 October 1854 – 10 November 1891) was a
French poet. Born in Charleville, Ardennes, he produced his works while still in his late
teens—Victor Hugo described him at the time as “an intant Shakespeare”—and gave up
creative writing before the age of 20. As part of the decadent movement, Rimbaud
influenced modern literature, music, and arts, and prefigured surrealism. External Links.
