Role
Editors: R. J. Zwi Werblowsky and Geoffrey Wigoder
Contributing author: Gavriel Rosenfeld

Description/Summary
Gavriel Rosenfeld is a contributing author, Biographical essays on Wilhelm Bacher, Adolf Buechler, David Kaufmann, and Moritz Lazarus, pp. 95, 142, 394.

Book description: This comprehensive dictionary of the Jewish religion contains nearly 2,400 alphabetically arranged entries ranging from short definitions to lengthy essays on major topics. It is the most accessible and complete one-volume resource available for information on the concepts, beliefs, and practices of historical and contemporary Jewish religious practice. The combined effort of Israeli, American, and European scholars, this dictionary reflects the great variety of Jewish religious expression, from the traditional approaches to such recent variations as Reform, Conservative, and Reconstructionist Judaism. It covers all aspects of Jewish practice, law, and theology as expressed in the Bible and the Talmud and by philosophers throughout history. The work also includes biographical sketches of important personalities associated with the development of the Jewish religion over the centuries, articles on the mystical tradition and folklore, and entries addressing the more recent religious issues posed by the existence of the State of Israel.
