He pointed his finger to Loro Jonggrang and said some mantras. Magically, Loro Jonggrang’s body turned into stone.

Lydia Kieven. *Cāṇḍi Śiva*, sacred centre of the famous ninth-century Loro Jonggrang temple complex at Prambanan, Central Java, is decorated with numerous iconic and narrative reliefs. Starting from the eastern staircase and traversing the perambulatory in a clockwise direction, we find the narrative reliefs of the Rāmāyaṇa on the balustrade wall on our left, and the iconic reliefs of twenty-four seated male...
