Davis reminded everyone that despite the steady dismantling of abortion rights in state legislatures, it's possible to fight back.
IT is a common enough occurrence for news as it grows old to turn into history but in my experience it is rare for history as it grows old to turn into news. Rare or not, something of the kind appears to have happened with respect to "Here at The New Yorker," which, having been published back in 1975, may be said to have passed into history, but which has lately become news on the strength of the many changes that have been taking place at the magazine over the last couple of years. Support The New Yorker’s award-winning journalism. Subscribe today ». Spotlight. Letter from Trump’s Washington. Trump and Bibi’s Bad Week. They’re both at war with those who would investigate them. But are they winning or losing? By Susan B. Glasser. The director discusses her new miniseries, about five youths convicted and exonerated of an infamous crime; and The New Yorker’s television critic, Emily Nussbaum, explains a deluge of #MeToo plots on television. May 31, 2019. The Front Row. Here at The New Yorker is a 1975 best-selling book by American writer Brendan Gill, writer and drama critic for the magazine The New Yorker. Published on the fiftieth anniversary of the founding of The New Yorker magazine, Gill’s book is a semi-autobiographical memoir built around his time as an editor and writer at the magazine and written in the style of the Talk of the Town section to which Gill contributed for many years. Much of the book is devoted to anecdotes about his best-known colleagues
