Grant Doblinson is an associate lecturer and Ms Sakai is a Masters student in the School of Journalism and Communication, University of Queensland.
Journalism is the discipline of gathering, writing and reporting news, and broadly it includes the process of editing and presenting the news articles. Journalism applies to various media, but is not limited to newspapers, magazines, radio, and television. While under pressure to be the first to publish its stories, each news media organization adheres to its own standards of accuracy, quality, and style—usually editing and proofreading its reports prior to publication. Many news organizations claim
