Bornean orangutan, common chimpanzee, dhole. Under the Endangered Species Act of 1973 in the United States, species may be listed as "endangered" or "threatened". The Salt Creek tiger beetle (Cicindela nevadica lincolniana) is an example of an endangered subspecies protected under the ESA. Some landowners currently may perceive a diminution in value for their land after finding an endangered animal on it. The focus of the article is on the giant ... read more

The Land of the Orangutan and Bird of Paradise Under Threat

Boekhout van Solinge, T.
(Part of book)

Abstract
This chapter addresses the issue of deforestation in Indonesia and its effects on wildlife and people. It takes as a starting point the descriptions by Alfred Wallace (1869) of the Malay archipelago and then discuss the history of deforestation in Indonesia. The focus of the article is on the giant ... read more

Bornean orangutan, common chimpanzee, dhole. Under the Endangered Species Act of 1973 in the United States, species may be listed as "endangered" or "threatened". The Salt Creek tiger beetle (Cicindela nevadica lincolniana) is an example of an endangered subspecies protected under the ESA. Some landowners currently may perceive a diminution in value for their land after finding an endangered animal on it. List of threatened birds of the United States. List of threatened reptiles and amphibians of the United States. Elsewhere.
