David Leonard Downie is Director of Environmental Studies and Associate Professor of Politics at Fairfield University. Dr. Downie's research focuses on the creation, content, and implementation of national and international environmental policy. Professor Downie received his B.A Degree from Duke University and his Ph.D. in Political Science from the University of North Carolina. His recent work includes Global Environmental Politics, 5th Edition (2010), written with Pamela Chasek, Climate Change: A Reference Handbook (2009), written with Kate Brash and Catherine Vaughan, and The Global Environment: Institutions, Law & Policy, 2nd Edition (2005), co-edited with...
Globalization became a buzzword following the end of the Cold War, but the phenomenon has long been a factor in the foreign relations of the United States and has deep roots in history.
