Hence, it was not simply an appropriate subject for the Parthenon frieze; it was an essential one. Although this reading of the frieze has its adherents among Classical scholars, doubters seem to outnumber the believers, and in the present book Connelly’s intention is clearly to reopen the battle by expanding and The parthenon of ambition. The daily bulletin of Italy’s Communist Refoundation Party published today the apparently official program of the Greek coalition of the left, Syriza. Here the 40 points of the Syriza program : 1. Audit of the public debt and renegotiation of interest due and suspension of payments until the economy has revived and growth and employment return. 2. Demand the European Union to change the role of the European Central Bank so that it finances States and programs of public investment.
