The Library of Congress Subject Headings (LCSH) is perhaps the most widely adopted subject indexing language in the world, has been translated into many languages, and is used around the world by libraries large and small. LCSH has been actively maintained since 1898 to catalog materials held at the Library of Congress. Proposals for additions and changes are reviewed regularly at staff meetings in the Policy and Standards Division (PSD) and an approved list is published. Joachim Brøchner Olsen (born 31 May 1977) is a Danish politician and former world class shot putter. He was elected to the Danish parliament at the 2011 election, representing the Liberal Alliance in the Greater Copenhagen constituency. As an athlete, he represented Århus 1900. With ten straight international finals, Joachim holds the longest string of appearances in finals at Olympic, World and European Championships among throwers.
