What is a book report: A book report, to a certain degree, is an essay that discusses the contents of a specific book. More often than not, students in the elementary and high school streams will write such reports as a part of their English or literature class assignments. However, it is not uncommon to see book reports at the college level. Feeling Stuck on Your Essay? Get Expert Help for All of Your Writing Needs! A book report is an informative piece of writing. Book reports are similar to book reviews but there are some important differences. Let’s compare reports and reviews. A book review is a critical account of a fiction or non-fiction book where you have to give a summary of the content, assess the value of the book, and express your personal opinion whether you recommend or don’t recommend it to other potential readers. Typically, book reviews are college assignments. Before we start discussing how to write a book report college level, let’s briefly outline what you should do at the pre-writing stage. Pre-writing Steps. Choose a book for your analysis - find out some basic information you will need to get started: author, title, genre.
