The Prince Edward Islands are two small islands in the sub-antarctic Indian Ocean that are part of South Africa. The islands are named Marion Island (named after Marc-Joseph Marion du Fresne) and Prince Edward Island (named after Prince Edward, Duke of Kent and Strathearn). The staff of a meteorological and biological research station run by the South African National Antarctic Programme on Marion Island.

### Scientific research at the Prince Edward Islands, 1847-1979: a bibliography

**Title:** Scientific research at the Prince Edward Islands, 1847 - 1979: a bibliography

**Author:** Siegfried, W.R.; Forbes, P.F.; Condy, P.R.

**URL:** http://hdl.handle.net/123456789/7597

**Date:** 1971
