Abstract
This study highlights how the existence of the Qur'an as a guide for life for young people aged 25-40 years in the rural areas in Jambi Province. The study is based on the author's observation of the phenomenon that occurs in rural communities, where young people aged 25-40 years do not present in the five-time prayers in the mosque, the increase of criminals, rampant forest burning and rampant Wild gold mining in rural areas conducted by young people aged 25-40 years, where

some of the phrase is closely related to their understanding of the Qur'an content. From here the question arises, Do they understand the content of the Qur'an and do they follow the guidance of the Qur'an in living their lives? This research is a non-participant research by doing observation, questionnaire and interview to selected sample from young aged 25-40 in rural area in 8 of 9 district in Jambi Province.
A global Qur'anic recitation competition takes place every year. Tapes, CDs, and the Internet also provide Quranic recitation so people can hear it while on land, sea, and air. Perhaps, it may be no exaggeration to state that the Qur'an is the most recited but least understood of books. Indeed, listening to and reciting the Qur'an has become extremely popular among religious Muslims. However, how many of us are able to understand what is being recited? Several obstacles impede Muslims’ understanding of the Qur'an.

Reading a book does not necessarily mean that one can understand it. Knowledge of a language is of course necessary for understanding a book written in that language. However, is it sufficient? The Qur'an is sometimes divided into 30 roughly equal parts, known as juz'. These divisions make it easier for Muslims to read the Qur'an during the course of a month and many will read one juz' each day, particularly during the month of Ramadan. Translations. Translations of the Qur'an exist in over 40 languages but Muslims are still taught to learn and recite it in Arabic, even if this is not their native language and they cannot converse in it. Committing the Qur'an to memory acted as a great aid for its preservation and any person who is able to accomplish this is known as a hafiz. Respect. The Qur'an is treated with immense respect by Muslims because it is the sacred word of God. Holy Qur'an, E-Books, Audios, Videos, Lectures, Articles and much more. Main menu. Skip to content. An immense wealth of profound understanding of the Qur'an is here, a vast treasure of knowledge and deep insight, and a valuable exposition of some social, political, economic and legal teachings of the Qur'an. This Tafsir answers contemporary questions, and makes the Qur'an fully relevant to the concerns of our day, yet it loses nothing of its timelessness nor sacrifices any of the traditional understanding. It demonstrates the unity and coherence of the Qur'an by centering everything in it on its message, like gems hung on a single string. g. Tafhim al-qur'an. Written in Urdu, and first comp
