A quotation is the reproduction of the words of a writer or speaker. Learn more about the definition and see some examples. What that meant was 'I have just looked through my Oxford Dictionary of Quotations and found this quote from Pindar, whom I have never read but who is generally thought to be the marker of a pretty spiffy sort of mind. Since I would like you to think I have a pretty spiffy mind, I wish to give you the impression that I am intimately familiar with the works, not only of Pindar, but of absolutely bloody everybody, so while I am happy to expose to you an inch or so of my massive, throbbing intellectual armamentarium, I do so with the entirely false caveat that, having been plucked from my c

Very similar to L.M. Montgomery's stories in the way certain families are always referred to, especially the minister, the doctor, the town clerk. It's a lovely book isn't it? Just a treasure. I haven't read the book yet; partly still working through my TBR piles, including some recent acquisitions of the 'Anne' series, and partly I'd have to ship in a hardback, so I'm holding off on that for a while. 23 honganne. Oct 18, 2011, 12:11am. It is ninth book of the Anne series. Group: Kindred Spirits. 79 members. However, as to the commentary of allusions and quotations, the quality of the three books under consideration is far from being ideal. On the one hand, one topic of Bradbury's is the prohibition of books. This quotation refers to Hugh Latimer, the leading English reformer of the sixteenth century and Nicholas Ridley, Anglican bishop: they refused to recognize Roman Catholic doctrine and therefore were burnt alive for heresy in 1555. In a similar way the old woman refuses to sacrifice her views; therefore her death puts Montag's development into motion: she becomes a candle which will last him the rest of his life (cf. p. 51).
