Alek Khederian should have guessed something was wrong when his parents took him to a restaurant. Everyone knows that Armenians never eat out. Why bother, when their home cooking is far superior to anything these Americans could come up with? Between bouts of interrogating the waitress and criticizing the menu, Alek's parents announce that he'll be attending summer school in order to bring up his grades. Alek is sure this experience will be the perfect hellish end to his hellish freshmen year of high school. He never could've predicted that he'd meet someone like Ethan. Ethan is everything Alek wishes he were: confident, free-spirited, and irreverent. When Ethan gets Alek to cut school and go to a Rufus Wainwright concert in New York City's Central Park, Alek embarks on his first adventure outside the confines of his suburban New Jersey existence. He can't believe a guy this cool wants to be his friend. And before long, it seems like Ethan wants to be more than friends. Alek has never thought about having a boyfriend—he's barely ever had a girlfriend—but maybe it's time to think again. Michael Barakiva's One Man Guy is a romantic, moving, laugh-out-loud-funny story about what happens when one person cracks open your world and helps you see everything—and, most of all, yourself—like you never have before.

Reading this book to your child will help you begin to introduce the key concepts about babies and egg donation. It is very simple and touches the subject of how some people (in this case giraffes) need help to be able to be a Mommy or a Daddy. The key idea is that the baby is wanted very badly and will be loved and cherished. If you have been searching for a way to introduce your toddler to the concepts of being a baby that was born via egg donation...look no more.

Or at least try. So when Aki and Lori set off on a church youth-group trip to a small Mexican town for the summer and Aki meets Christa—slightly older, far more experienced—it seems her theory is prime for the testing.
