Report this video. Healing the Incest Wound has 48 ratings and 2 reviews. Laura said: While this topic is heavy and can cause literal nausea at certain points in reading, ... Goodreads helps you keep track of books you want to read. Start by marking “Healing the Incest Wound: Adult Survivors in Therapy” as Want to Read: Want to Read saving… Want to Read. Courtois' Healing the Incest Wound is exclusively for professionals. The book is weighty but complete, surveying all the latest research about the etiology, symptoms, developmental effects, theories, and various treatment modes concerning incest. If you work with incest victims and their families, you won't want to miss this one. Courtois likens the victim's symptomology to acute post-traumatic stress disorder in both diagnosis and treatment. *All incest is not the same. In the first section, Christine A. Courtois provides a general introduction to incest by category, type, characteristics, and family and individual dynamics. Such knowledge is essential for therapists hoping to understand the unique aspects of their clients' incest experiences.
