Artists' Books: A Critical Anthology and Sourcebook

Abstract (English)

This anthology presents critical writing, photographic documentation and research sources on artist's books. Beginning with a definition and history of the medium, the essays then address issues and problems concerning the development, presentation, and distribution of bookworks. Includes biographical notes on the authors, an index and a list of artist's book collections. Bibl. 26 p.

Types: Anthologies, essays, collections
