Post Modernism - Briefly it was the tendency to react against modernism (characterized by Utopian ideals/standards) by displaying an attitude of skepticism, rejection of clear boundaries... Post-Postmodernism rejects Postmodernism stating that the views and themes during that era stem from a victim mentality which tends to induce a agnostic-like skepticism in the overall scheme of things. Theme: "A common positive theme of current attempts to define post-postmodernism is that faith, trust, dialogue, performance and sincerity can work to transcend postmodern irony" (Source: Post-postmodernism ). Post-postmodernists argue that this need not be so always and seem to believe in the inherent goodness of things.
