Reading is a vital part of spiritual and afterlife research. There are books that detail compelling personal experiences such as near-death experiences, books claiming authorship directly from the world of spirit through automatic writing or the recorded words of trance channels, books about out-of-body experiences, past-life research, consciousness studies, mediumship experiences and beautiful after-death... There are hundreds of books about near-death experiences available, but until now, none written by a neurosurgeon. Dr. Alexander was stricken with a particularly dangerous form of bacterial meningitis. The Saite Compilations of the Book of the Dead was first developed in the 26th Dynasty. It continued in use until the end of the Ptolemaic Period. Wider portions of the population used these texts and included portions of the Pyramid and Coffin Texts. The people standardized the order and number of the spells in the Book of the Dead. Book of the Dead Spells. Almost 200 chapters or spells exist today but no single compilation discovered to date contains all the spells. Some spells provided information for the dead about the gods, so the dead could identify with the gods. Book of Death. Genres: Superhero. Publisher: Valiant Entertainment. This is how they died. Now we know. The Book of the Geomancer has recorded it all. But only a young girl - the last in a line of the enigmatic mystics who protect the Earth known as Geomancers - has seen this future come to pass, from the coming cataclysm to the dawn of the 41st century. Alone with her sworn protector, the Eternal Warrior - a soldier battle forged across five thousand years of combat - the duo must defy their allies to stop the Dark Age that now threatens to eclipse our world. Together, they are the number one target of every hero and villain on Earth. Either the Eternal Warri
