POLICIES AND PROCEDURES
NOTICES AND MESSAGES
It is the responsibility of each student to check the bulletin board before and after each class. Class schedules are subject to change; therefore students need to check the board daily. Parents should check posted information for younger students. Weekly schedules, including changes and important notices, are posted on the School bulletin board. The student board is located in the ARC office.

INJURIES
All student injuries and accidents in and out of dance class must be reported promptly to the School office. School staff will document the student’s condition and any medical guidelines for activity. If an injury occurs (either in or outside of class), please do the following:
- Notify appropriate faculty and front office immediately so that proper documentation can be made.
- Have your doctor supply a report on your injury to the School office in order to facilitate your recovery.
- ARC must receive written permission from your doctor allowing you to resume classes.
Any student with an injury requiring limited participation in class or a significant leave of absence from ARC must meet with the Director of the School to set up a recovery plan before re-turning to classes.

MEDICAL LEAVE AND DOCTOR’S NOTES
Attendance in all ASB classes is mandatory. However, Medical Leave may be initiated by ASB for the management of physical or emotional conditions that hinder a student’s ability to participate in class. Medical Leave may also be requested by a student or parents. In some cases, this may involve going home or sitting and watching the remainder of class. When the student is ready to return to the School, written communication to the School Director must be received from the parents and the student’s physician and/or counselor, indicating any recommendations, conditions and/or limitations placed on the student’s return, such as participation in ongoing treatment. Students may return from Medical Leave only with the approval of ASB.

PHOTOS & FILMING
Photography and/or videotaping of any kind are not allowed in the ARC Dance Space without first obtaining written permission from ARC’s Director, notifying the dancers in advance, and – in the case of our Contracted Artists – getting approval for usage of images and work. If you notice someone taking pictures or filming in our hallways or studios and you do not feel comfortable confronting them directly, please notify the office or an ARC faculty member immediately.

CELL PHONES
ARC Studios are cell phone free zones, as phones are not allowed in our studios, restrooms, or dressing rooms. Cell phone usage is restricted to the lounge, hallway, or outside the building. Students must turn off all cell phones and/or store them in locked lockers while at ARC.

STUDIO USE & RENTAL
Students who use studios for personal use; e.g. photo shoot, private lesson, rehearsal for school projects, etc., must coordinate with the office, pay a studio rental fee, and complete all necessary paperwork prior to use.

TEACHER CONFERENCES, AND ADVANCEMENT

INDIVIDUAL CONFERENCES
Formal conferences with students from Intermediate 1 through Academy levels may occur throughout the school year with the Director. Students are evaluated by faculty members and the director. These conferences address effort, attendance, technical development, strengths and weaknesses, conduct, potential, and includes suggestions for improvement and encouragement for working towards personal goals. Conferences should be scheduled through the school office if outside of designated conference times.

CLASS ADVANCEMENT
It is important to know that a student's progress/advancement from one class level to the next is not automatic and strongly avoided during the school year. It is not uncommon for students to spend two to three years in a level. Therefore, students may receive an additional conference at the end of the school year for a follow-up on progress and class placement. Each dancer is unique in their development, both emotionally and physically. To be sure that they continue to learn and enjoy each level, we observe these developments very carefully. The Director and members of the faculty evaluate each student for level suitability in the Student Program.

The School Director and Office manager are available to answer any questions or concerns throughout the year. Parents’ feedback is invaluable to the progress of the student. Appointments should be made through the school office.

CLASS OBSERVATION/WATCH WEEK
The observation is special and open to parents/guardians and family members only. This is an opportunity for guests to experience the progression of a ballet class at a specific developmental level. Class observation schedule is done in advance and is subject to change.

www.arcdance.org
WATCH DAY ETIQUETTE
Attendees should treat this class as special and plan appropriately to attend the entire class. Leaving and re-entry into the class causes disruption for the students and interrupts their attention and focus. Children that are unable to sit still quietly for the duration of the class should not attend.
- No cell phones, laptops or electronic equipment of any kind is allowed in the studios during classes.
- No food/drinks or street shoes in our studios.
Special permission may be given to observe at another time in case of extreme circumstances. Such arrangements may be made through the school office.

UNIFORM & DRESS CODE
Attire and School uniform must be worn for all classes. If student does not have appropriate class uniform, they may be asked to sit and watch class. ASB uniform requirements can be found on our website. Please label all dance wear with your name!

HAIR & GROOMING
Girls and Women
Please have hair securely tied away from the face in a ballet bun. Dancers with short hair should pin hair away from their face. Dancers should have a bag with appropriate hair accessories, bobby pins, hair nets, rubber bands, hair brush/comb, etc.

Boys and Men
Hair should be secured away from the face. Hair products (hair spray, mousse) or bandanna/head bands may be used.

No Jewelry is to be worn in class. This includes watches. If student is wearing jewelry, he/she will be asked to remove it prior to class. Jewelry can be collected after class from the office or teacher. ARC will not be responsible for jewelry, if lost.

STUDENT DROP OFF & PICK UP
If YOU are not picking up your child, please notify the office. Parents/Students should check in with the ASB office prior to class time. After class, students should wait in the ASB office for parents to pick them up. Students (who are minors) will not be allowed to go outside unattended to wait for parents to pick them up. Parent or Guardian must come into the building to pick up your child.

TARDINESS/ABSENCES/EARLY PICK UP
All dancers are expected to be ready to dance at their class time. If a student arrives late to class, he/she may be asked to sit and watch class. Please contact the office if you anticipate being late or are leaving early to/from class. When possible, please notify the office of absences. If a student misses more than two classes, ARC may phone your home. Too many absences may lead to loss of performance opportunity or repeat of class level, if that student cannot keep up with class skills or choreography.

SUPPORT AND SCHOLARSHIP OPPORTUNITIES
ARC Dance is a 501(c)(3) not-for-profit corporation. Contributions are tax-deductible to the extent allowed by the law.

PARENTS’ GUILD (PG)
All parents of ASB are members of the Parents’ Guild. Active participation and support from parents help us further achieve our goals of offering quality performance and education programs. The PG provides support and assistance with volunteering and fundraising during ARC events. There is no correlation between parents serving on the Guild and a student’s advancement in ASB classes or in the casting of ARC Productions.

CLASS JOURNALS & WORKBOOKS
Students who are tardy for class, lack proper uniform, or are recovering from illness/injury are required to watch class. Students in the Intermediate 1 through Academy levels are also encouraged to complete an observation sheet while watching class. This written exercise engages critical observations, corrections, and correct spelling of dance terminologies.

All students in the Intermediate, Advance, and Academy levels are encouraged to maintain a written journal/workbook. The purpose of a workbook/journal, (spiral/composition book), is to keep a record of corrections, conference notes, questions, vocabulary, and reflections of daily classes. Students should bring this workbook to class every day and review notes and additions that remind them what they are working on throughout the school year. If there is something the student does not seem to understand, they should ask/and clarify and make corrections. Workbooks are used as a learning tool for students’ progress and understanding.
