This approach led Wver, together with the Swedish researcher Ola Tunander from the Norwegian Peace Research Institute in Oslo, to investigate the notion of empire as a possible model for the developing post-nation-state in Europe. Political Sociology: A Comparative/Historical Approach. By Berch Berberoglu. This book provides a comprehensive analysis of the origins, nature, development and transformation of the state, examining the class basis of politics and the state in different societal settings. In the Introduction to the volume Professor Berberoglu stresses the centrality of class and class relations in explaining political power and the role of the state in class societies. This book provides a concise, yet comprehensive, analysis of the role of politics and the state within the world-historical process and promises to make an invaluable contribution to political sociology and to related disciplines devoted to the study of the state. Contents. Preface and Acknowledgments.
