The Columbia Anthology of Modern Korean Poetry is the only up-to-date representative gathering of Korean poetry from the twentieth century in English, far more generous in its selection and material than previous anthologies. It presents 228 poems by 34 modern Korean poets, including renowned poets such as So Chongju and Kim Chiha. Carl Woodring and James Shapiro, the team scholars who edited The Columbia History of British Poetry, have written incisive introductions to the careers of the poets, making this the most accessible and comprehensive anthology of British verse in print. Covering the new and the ancient, the classic and the rediscovered, this generous volume reimagines the horizons of British poetry. The Columbia Anthology of Modern Chinese Literature.
