Two Elizabethan Writers Of Fiction: Thomas Nashe And Thomas Deloney

R. G Howarth

The quality is uneven, but Thomas Sackville’s "Induction" and Thomas Churchyard’s "Legend of Shore’s Wife" are distinguished, and the intermingling of history, tragedy, and political morality was to be influential on the drama. Sidney and Spenser. With the work of Sir Philip Sidney and Edmund Spenser, Tottel’s contributors suddenly began to look old-fashioned. The form that really set its face against Elizabethan politeness was the satire. His language is probably the most profusely inventive of all Elizabethan writers, and he makes even Greene’s low-life pamphlets (1591-92), with their sensational tales from the underworld, look conventional. Thomas Deloney (c. 1543 – April 1600) was an English novelist and balladist. Although alleged to be of Norwich, Thomas Deloney was most likely born in London where he was trained as a silk-weaver. An entry in the parish register of St Giles-without-Cripplegate from 16 October 1586, records the baptism of his son Richard. In the course of the next ten years he is known to have written about fifty ballads, one-sheet stories and news sheets, some of which got him into trouble, and caused him to keep a G.W.
